Defendant.

) STIPULATION AND ORDER TO
CONTINUE STATUS CONFERENCE

) Judge: Hon Judge Dena M. Coggins
)

STIPULATION

1. By previous order, this matter was set for status conference regarding sentencing on April 18, 2025.
2. By this stipulation, the defendant now moves to continue the status conference until July 18, 2025.
3. The parties agree and stipulate, and request that the Court find the following:
 - a) The parties are working on an amended factual basis as new information has developed over the past 60 days. In addition, counsel for the defendant begins a trial in late May that will consume the month of June 2025. It is People v. Alan Andrus Case No. P20CRF0225 in El Dorado County Superior Court.

1 b) Counsel for the defendant believes that failure to grant the above-requested
2 continuance would deny them the reasonable time necessary for effective
3 preparation, taking into account the exercise of due diligence.
4 c) The government does not object to the continuance.
5 4. Nothing in this stipulation and order shall preclude a finding that other provisions
6 of the Speedy Trial Act dictate that additional time periods are excludable from the
7 period within which a trial must commence.
